Notification dated 19th June 1948.

It is hereby notified that sealed tenders will be received by the undersigned up to 2 P.M. on the 28th June 1948, for transporting articles such as implements, seeds, manure and miscellaneous articles from Chitaldrug Railway Station or from the Chitaldrug Depot to Babbur Farm and depots and sub-depots in Hiriyur, Challakere, Molakalmuru and Jagalur Taluks during 1948-49.

Tenders should be addressed to the Assistant Director of Agriculture, Chitaldrug Circle, Chitaldrug, in a sealed cover and superscribed as "Tender for carting contract." The name of the tenderer should also be written on the top of the cover.

Each tender must be accompanied by a deposit of Rs. 500 in currency notes. Earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract.

The tenderer should submit with his tender solvency certificate to the extent of Rs. 3,000 issued by the Revenue Authorities.

The tenders will be opened in the presence of the tenderers who wish to be present on 28th June 1948 at Chitaldrug Circle Office. The final acceptance of the tender will rest with the Director of Agriculture in Mysore, Bangalore, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

The deposits received from the unsuccessful tenderers will be returned to them at their cost.

Specific rate should be given to each item in the schedule accompanying the tender. The rates quoted must be per mile for a cart-load of 40 maunds.

Articles intended for Babbur Farm must be delivered on the Farm itself and not at the Hiriyur Depot even though the consignment may be less than a cart load. If, however, the consignment for the Farm is delivered at Hiriyur Depot, cart hire, if any, paid by the farm will be deducted from such consignment.

No amount will be paid to the contractor till he produces the voucher in the proper form.

The contractor should go over to the Chitaldrug Range Office every day and enquire whether any consignments are to be booked and any Railway Receipts for taking delivery of the consignments have been received. Immediately after taking delivery of the consignments he should arrange to take them to the intended places with the least possible delay and he will be responsible for any loss, shortage, etc., during the transit.

On consignments which are received in small bags weighing below 40 maunds and which are less than a cart-load, cart hire will be paid for the exact quantity carted by rule of proportion. No payment will be made for articles below one maund.

The contractor should promptly take the Railway Receipts and see that no demurrage charges are incurred. If demurrage charges have to be paid owing to delay in taking delivery of article at the Railway Station, such charges will be recovered from the contractor.

If the consignments are not taken delivery of in time and transmitted in time to the intended places, the same will be transhipped by the Department and excess charges and losses, if any, will be recovered from him.

The transport work will be entrusted to the contractors only in the absence of departmental lorries.

The successful tenderer should execute a bond on a stamped paper in the name of Agricultural Inspector, Chitaldrug, binding himself by the above conditions, and others, which may be prescribed by the department, for prompt work and good behaviour, and that if he fails to carry out Government work satisfactorily, his deposit amount will be forfeited to Government.

Charges for items which do not fall under the schedule will be paid at the discretion of the Agricultural Inspector, Chitaldrug in each individual case and his decision will be final.

Any violation of the above conditions will entail forfeiture of his deposit.

The contract will automatically terminate on the 30th June 1949.
